YOGA BUDIMAN

18/06/1993 | Indonesia | Jl. Tunjung Sari No: 2A, Denpasar Barat, Bali 80117
+62 85 739 900 800 | Yoga.Budiman@Outlook.com

Profile

My specialties include quickly learning new skills and programming languages, problem-solving, responsive design principles, and website optimization. So far I have JavaScript, Bootstrap, HTML, CSS, PHP, and Git/GitHub under my belt. I've started learning Node.JS and MongoDB. I'm still enthusiastically grabbing onto any other programming languages, frameworks, or principles I can integrate into the coding web in my head.
